DESCRIPTION OF WORKSHOP

Each class will have 4 separate segments

- 20 minutes of warm-up, stretching, and strengthening and generally loving your beautiful body
- Learn a variety of dance and burlesque technique elements (turning, classic bumps n grinds, shimmying, ways to travel in space, etc . . .)
- A portion of each class is dedicated to either 1) fringe/feminist performance insight and revelation or 2) aesthetics (costumes, developing stage presence, crafting concepting, and finishing touches etc . . .)
- *Learning an Entire Dance!!!!*

That's right, you read it correctly, at the end of the 6 week workshop, *we'll have a new dance number to perform!* You'll have your debut performance with Diamond Daggers Productions at a small and private invite-only recital, **RendezVous Recital**, on **October 10th**! Along with students from my other workshops, we'll have the opportunity to share our offering with our chosen community.
